DESCRIPTION

Height: 5'7"

Sex: Male

Complexion: Light

Race: White

Remarks: The subject may be a White male who has worn a wig, glasses, and some sort of hat. He has been nicknamed the "Alabama Band Bandit" due to the hat he wore during the July 11, 2014, robbery, which had the logo of the country band Alabama on it in the band's characteristic font.

Vehicle Information: The subject appears to be working with a White female accomplice who has driven a getaway car for at least two of the robberies. On July 11, 2014, she drove the suspect away from the bank in what appears to be a blue-green, early 1990s-model Nissan Pathfinder. On July 18, 2014, she was seen behind the wheel of what appears to be a green Land Rover Discovery.

Weapon Used: The subject has implied he has a weapon and has threatened tellers, although no weapon has been seen.
